FAITH **DRIVEN**
ENTREPRENEUR

Welcome to the FDE Conference!

We're so glad you joined us today for the Faith Driven Entrepreneur (FDE) Conference. The FDE Conference is an annual gathering of entrepreneurs from around the world, with thousands of people coming together to learn, connect, and be encouraged in their calling. This is the 4th year we are hosting the FDE Conference in Coquitlam.

The 2026 theme, "Build for More," invites us to consider what we're building, who we're building for, and how our faith shapes the way we lead. As entrepreneurs, we're called to build with ambition and excellence—but ultimately, to build for something bigger than ourselves.

Our hope in organizing this conference in Coquitlam is two-fold:

- To affirm your calling as entrepreneurs in God's kingdom. We believe God has uniquely wired each of us to create, lead, and contribute to the flourishing of our communities. We want to encourage you to see your work as part of God's greater story.
- To connect local entrepreneurs. We hope today creates space for meaningful conversations, new relationships, collaboration, and mutual encouragement as we learn from one another.

We hope you leave today inspired and encouraged to build for more—with greater purpose, deeper faith, and a community around you.

The FDE Coquitlam Team

"Unless the LORD builds the house, the builders labor in vain."

—PSALM 127:1
